The Style Junkies Awards Name World's Best Hotels

December 12, 2014 -

For many years The Style Junkies have roamed the globe, stayed in hundreds of stylish & unique hotels and inspired lots of luxury boutique hotel lovers.

After testing so many places to stay, it was time to reward and congratulate hotels that have excelled beyond the normal call of duty. So for the very first time, The Style Junkies have cherry-picked hotels that stand out above the rest.

These standout hotels that really WOW, which exceeded The Style Junkies' skyscraper-high standards and expectations, are winners for The Style Junkies Awards 2014 in 15 different award categories, representing the hospitality trends. In each category – ranging from Healthy Hideaway, Urban Oasis and Boutique Bush Home to Killer View, Best for Bed Olympics and Closest to Paradise – The Style Junkies have selected one award winner.

What makes a hotel a winner? Founder of The Style Junkies Myrthe Stribos explains: "Apart from being stylish, a hotel is exceptional, personal and authentic. You can really feel the love, passion and pureness. Furthermore, all the 15 award winners deliver the most extraordinary experiences". The Style Junkies Awards 2014 list is truly a global representation of the best the luxury travel world has to offer.

So whether it's the pureness and homely feel of Aenaon Villas in Santorini, the fantastic food of Cocoa Island in the Maldives, the killer view and natural beauty of Six Senses Yao Noi or the design of Conservatorium Hotel in Amsterdam, these hotels that tick all the boxes really deserve to be the winners of The Style Junkies Awards 2014.
