SPA MENU

At Komaneka Resorts, we believe in providing the best setting to relax and recharge, with tradition at the heart of each treatment. In a time of turbulence and uncertainty, we are happy to provide safe and specialized treatments for a sublime spa experience.

Each Komaneka Spa is specially built to utilize the surrounding nature and each treatment uses natural local ingredients to empower the mind and body.

For booking, kindly book 2 days before the day of the treatment. Spa guests will receive a pool pass to use our public facilities after or before their treatment.

For Hotel Guests, we suggest exploring our Spa facilities in other properties as each Spa is designed differently.
